

Your Guide to Career Advancement

PSGCNJ

Professional Service Group of Central New Jersey

Where Talent Works

Our Mission

PSGCNJ is a professional, volunteer organization that provides its members with a network through job-search and job-placement services, creating a stronger workforce and economy.

While serving its professional and skilled members, PSGCNJ helps regional employers solve their labor needs.

Our Standards

PSGCNJ believes that its members must treat “job transition” as a time to become more valuable in the workplace.

To become a PSGCNJ member, professionals must fulfill four requirements until they find employment:

- Attend at least one General Membership meeting each month
- Complete the five Accelerated Career Training workshops
- Join a PSGCNJ committee and obtain a job title
- Contribute at least three hours of time and talent each week to advance the organization

Potentially, membership is a lifetime benefit.
